

C.V.

Name: HAMEED KADHIM DAWOOD AL ZUHERI

Birth : Diyala 1973

Occupation : Lecturer

General Specialization : Mathematical Science

Particular Specialize : Applied Mathematics

*Thesis title : MISSION REQUIRMENT OF IMAGING SATLITE*

*Dissertation title : /*

Occupied position administrative of scientific:

1- Chif of mathematics dep .

2- A member of the scientific committee in the Department of Mathematics

3- Member of the Examination Committee in the Department of Mathematics

Rewards And Thanks : (7)

Arabic and International participation :

Main Published and Finished Researches :

1. *On the averaging principle for stochastic diff.eq. with deviating argument.*

2. On stochastic diff,eq. with delay in infinite-dimensional Hilbert space.

3. Determine spectral coeff. of Boolean functions by using Walsh-Rademacher transform.
