Thesis Title:

Preparation and characterization of new fusible alloys for industrial and medical applications.

Researcher Name:

Feryal Kadhum Dawood

Supervisors:

<i>Name</i>	<i>Profession</i>	<i>Signature</i>
<i>Prof.Dr. Mustafa Kamal Mohamed Yousef</i>	<i>Prof. of Solid State Physics Faculty of Science Mansoura University</i>	
<i>Prof.Dr. Abu Bakr Abdel Fattah El- Bidiwi</i>	<i>Prof. of Solid State Physics Faculty of Science Mansoura University</i>	

Head of physics Department

Prof.Dr.

**Gomaa Mohamed
Ebrahim El-Damrawi**

*Vice-Dean For Higher
Studies and Research*

Prof.Dr.

Said Ibrahim El-disouk

Dean of Faculty

Prof.Dr.

Azza Ismail Osman
